PAGES 1 ENCLOSURES (NO. & TYPE) [REDACTED]REMARKS [REDACTED]RETURN TO CIA
LIBRARY

25X1X

1. Rumanians who were drafted for military service but for whom there was no place in units (prisos de contingent) worked in the mines around Petro-sani (R 25/V 66) in mid-July 1950. Some of these details were relieved by 18 July 1950. It was rumored that these details were to be transferred to units in the western border area. (1)
2. Former Communist Greek guerillas were in the Simeria (R 25/Q 31) - Calan (R 25/Q 30) area in mid-July 1950. They were quartered in villages and many of them worked in the plants in Calan.
3. Light caliber ammunition was produced in Valea Sadului on 12 July 1950. The output was stored in the ammunition dump at Curtisoara (R 25/V 52), 7 km away. (2).
4. An average of six shipments of materiel, including AA guns and tanks, passed daily through the Craiova (R 33/34/A 83) railroad station in mid-July 1950. (3)
5. On 15 June 1950, men in Bucharest, who were inducted as recruits between 1939 and 1946 were recalled for two months of reserve training (4).
6. The indoctrination of 250 political officers of the Bucharest Military District was completed in mid-June 1950. More political officers were to finish the course at the school in Braaza (R 45/X 32) in early July 1950.

25X1A

[REDACTED] Comments.

- (1) It is known that all recruits do not serve with regular units but serve with units which work for the Rumanian economy.
- (2) An ammunition dump was repeatedly reported from Curtisoara. See [REDACTED]
- (3) For details see [REDACTED] 25X1A
- (4) The induction of reservists may be part of the usual routine training schedule.
